**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a comparatively small community that for some time had just two telecom carriers. Both of them were expensive options until I discovered a local company called Sonic.

I changed service to the local carrier which includes internet and phone service with more affordable pricing and very good service. I now rely heavily upon this local service provider and am very happy with them.

I am an advocate for choice and a competitive market place and want the opportunity to choose between more than two providers.

Thank you.
